

# Akwa Ibom Diaspora Health Professionals

Connecting Health. Changing Lives.

A Global Charitable Organization Advancing Access to Healthcare, Education & Research

## Who We Are

ADHP is an independent non-profit (501c3) global network of healthcare professionals of Akwa Ibom State origin in the diaspora, and friends of Akwa Ibom State, dedicated to providing charitable, scientific, and educational healthcare services to strengthen health systems through advocacy, training, dialogue, partnerships and investments, coordinated by specialized healthcare professionals in collaboration with the Government of Akwa Ibom State.

### Our Vision

A world where everyone, regardless of location or circumstance, enjoys access to quality healthcare, education, and wellness opportunities.

### Our Mission

To promote health equity, deliver high quality medical services, humanitarian aid, and advance medical education and research, —bridging gaps in healthcare access locally and globally.

## What We Do

- Capacity Building & Education
- Research & Innovation
- Digital Health & Technology
- Health Infrastructure Development for Healthcare Delivery
- Medical Missions & Health Promotion
- Community Development & Advocacy
- Build Global Partnerships and Networks
- Emergency Medical Services & Humanitarian Aid

## Who We Serve

*Serving communities in the United States, Akwa Ibom State, Nigeria, Africa, and communities around the world.*

## Our Global Impact Goals

- ✓ Advance high-quality healthcare delivery in Akwa Ibom State, Nigeria, Africa, and communities globally
- ✓ Improve health outcomes among diaspora and home communities
- ✓ Mobilize diaspora health professionals to contribute skills locally and globally
- ✓ Invest in sustainable health infrastructure development
- ✓ Support medical tourism, technical exchange, and collaborative networks

## Partner With Us
